DESC requests that the Commission: (1) Approve its proposed suite of extended and modified DSM programs for an extended five-year term; (2) Continue to authorize DESC to modify, expand, amend, terminate or add any measure or program to its suite of DSM programs going forward without the requirement to seek prior Commission approval to do so; (3) Reinforce, with modifications, the DSM Rate Rider mechanism; (4) Approve the changes to program cost recovery and shared savings incentive as proposed in the Application; and (5) Otherwise reconfirm its approvals set forth in prior orders, and the mechanism for the ongoing review, updating and approval of the terms of the Company's DSM programs and DSM Rate Rider, except to the extent that they are proposed to be modified or amended, as outlined in the Application.
